

Our very dear Pam Klosky

Pam Klosky passed away at her home in Carlsbad, on September 30, 2024. She will be remembered at the many bridge clubs she frequented, as the gal with a larger-than-life smile, and a slight New England accent that she never dropped.

Pam spent 54 years of her life with her husband, Lowell, a naval officer. As his career required, they moved together from New England to Washington, D.C., and finally to Carlsbad. In her own right, Pam had quite a career: After earning a master's degree from Providence College, she worked as a math teacher, retrained as a computer programmer, and finally as a manager at AT&T in Northern Virginia.

Pam's great passion, however, was bridge. She achieved Silver Life Master status recently, something she was very proud of. Bridge at one of our local clubs or on BBO, it was her most enjoyable pastime. She always had a big smile on her face when she came to your table.

Pam is survived by her daughter Debbie, son-in-law Diego, and grandsons Gabriel and Alexander. She is also survived by her son Jeffrey, and his children, Kaylee, Noah, Kaden and Adalyn.

Pam will be missed by all who were lucky enough to know her.
