

## Remembering Rosie Zakarian

Rosie passed away peacefully on Monday, September 23, 2024, after a short illness. Rosie was a wonderful person and an avid bridge player, accumulating many Master Points. She enjoyed playing bridge and even after covid played a lot on BBO.

Rosie graduated from Indiana University and was a CPA in her working life. She was married to Joe Zakarian, who was a professional golf player. Joe passed away earlier this year.

Rosie served on the Unit Board 531 for many years, planned the Unit games, ordered the food, and helped serve and clean up after the games. She devoted her spare time to our unit.

Rosie will be greatly missed.
